

KIRK MILLER  
517 CAP ROCK  
RICHARDSON, TEXAS 75080

I am sending you this letter to insist that legislation be passed into law that will require genetically engineered food to be labeled as such, regardless of whether the food is in its whole form or as an ingredient in processed food.

I am not asking that genetically engineered food be stopped; all I am asking is that it be labeled.

Sincerely,

92N-0139
